Thursday 11th February 2021

Happy Holidays!!!!

We would like to take this opportunity to thank parents/carers for all of your continued hard work and support with remote learning. You have done an amazing job keeping children engaged and focused over the last 6 weeks; we know it has not been easy! A reminder that today is the last day of the half term and Friday 12th Feb is INSET day and so school will be closed to all key worker/vulnerable children. Remote

learning/Google Meet sessions will not take place on Friday 12th February.

Be sure to enjoy the half term holiday with your loved ones; have a well-deserved break, relax and chill out...the staff will be! We look forward to commencing remote learning and Google Meet sessions with you all on Monday 22nd February.

Safer Internet Day

On Tuesday 9th February it was Safer Internet Day and, where appropriate, there were a series of activities/suggestions uploaded to Google Classrooms. Several Google Meet sessions throughout the day also covered

this discussion with children at home and in school. With many of our children working remotely, never has keeping children safe online been more important, so please take time to remind children of ways they can keep themselves safe online. Here are a couple of links that may aid your discussions:

Wellbeing Tips for Parents

If you wish to support your child's mental health further, please see this useful video with suggested top tips: [Child Mental Health & Wellbeing - 10 Top Tips for Parents](#)

Thanks to everyone who actively engaged with today's whole school theme day of 'Thoughtful Thursday'. It has been a big success both in and out of school with a variety of activities taking place including live cooking sessions, painting pebbles, quizzes, making friendship bracelets, creating

wordless and making cards. We would still like to hear about the wonderful acts of kindness that children have been carrying out at home so please be sure to upload these to Google Classrooms. We are already planning our next whole school theme day to coincide with World Book Day, which is on Thursday 4th March, so watch this space!

The Bull's Head - Polite Notice

We have been contacted by The Bull's Head to remind parents/carers of vulnerable and key worker children to please take care when using the car park. Over the past few weeks they have witnessed many potential accidents due to cars speeding onto and across the carpark where children, dog walkers and general public are walking through all during school pick-up times. We are very lucky that The Bull's Head are so accommodating by letting the school use their car park. Please ensure you keep your speed down when entering and exiting the carpark as none of us want any potential accidents to become a reality. Thank you.

Important Half Term Contact Tracing Info for Parents of Vulnerable/Key Worker Children

In order to continue to assist the NHS Test and Trace service during the half term holiday, we are asking that you alert us immediately if your **child** tests **positive** for coronavirus and developed symptoms **within 48 hours of being in school**.

Please **text** the COVID-19 Confirmed Positive Cases mobile: **07707 177 389** with the following details:

- Name of Child
- Class
- Date of positive test
- Date that child developed the first symptoms (or state that the child was asymptomatic)

The mobile number is to only be used for **text** purposes to report a **confirmed** positive case; it is not for advice. The mobile will be checked at limited points throughout the holiday. Thank you.

KEEP
IN TOUCH
AND
SEE YOU
SOON!
