THE GREYSBROOKE SCHOOL GOVERNORS' NEWSLETTER – APRIL 2020

Stay
safe

We hope you are all safe and well during these challenging times.

This is the most unusual of circumstances to be sending out a newsletter, but as governors of Greysbrooke School, we wanted to share our best wishes with you all, and reassure you that we are actively supporting Mrs Ballinger and all the staff through this difficult period as we implement the government's guidance:

“Every child that can be safely cared for at home must be.”

“The fewer children making the journey to school, and the fewer children in educational settings, the lower the risk that the virus can spread and infect vulnerable individuals in wider society.”

We are also hugely grateful to the Arthur Terry Learning Partnership, who have provided support and guidance to us, and treated our school as a member of the Trust, even though the technicalities of membership are still to be completed.

To Mrs Ballinger and the entire Greysbrooke team – your dedication and professionalism have been pushed to the limits, and you have all proved what a truly wonderful team you are – always putting the children and their families first. Thank you!

To all the Greysbrooke parents, carers and children – we recognise what a challenging time this is for you all, and we really appreciate the support and positivity you have shown so far. We are hearing wonderful reports of some of the creative ways you are all continuing with your learning, as well as looking out for the community and adapting to the changing situation.

We wish you all a safe, healthy and peaceful Easter, and look forward to a time when we can welcome everyone back to some sense of normality at our fabulous school.

Take care all,

THE GREYSBROOKE GOVERNORS
