Summer term clubs will commence from week beginning 20th May 2024 and will finish week ending 5th July 2024.

Please see the attached overview sheet detailing the clubs on offer for Summer term. Across the year we will aim to provide an extensive range of opportunities for each key stage.

Clubs will be available to book on ParentPay after 4.15pm on Tuesday 30th April 2024 until 4pm Monday 6th May 2024. Payment will be required at the time of booking and places are automatically allocated on a first come first served basis until the closing date (or sooner if the maximum number has been reached). Please ensure your child definitely wants to take part in a club before booking a place as amendments and refunds cannot be made.

Home arrangement forms and details will follow once the booking system has closed.

Yours sincerely

Mr Briley

Year 6 Teacher and PE Leader
