

Year 2 Spring Term

Greysbrooke
Primary School

English

Narrative/RWINC

We will be reading and writing in different genres-narrative, diary, recount and instructions. We will link these to our history topic, using Toby and the Great Fire of London as a stimulus.

Maths

Multiplication, Division and Money

We will be deepening our knowledge of the 2,5, 10 times tables and counting in 3s. We will recognise coins, total amounts and find change.

Science

Materials and Plants

Can you investigate which material is the smoothest, most waterproof and flexible? What is the role of the seed? What does a seed need to be healthy? We will also investigate what happens if a plant doesn't get everything it needs.

R.E.

Who is Muslim? Celebrating Special Times

What do Muslims believe? How do Muslims celebrate special times? What is the holy book? What do you celebrate and why? What stories do your family tell?

History

The Great Fire of London

We will make comparisons about life in 17th century to now. Why was the fire significant? Who was Samuel Pepys?

Geography

Hot and Cold Countries

We will be looking at how climates differ around the world. Why do climates change around the world? Are all animals suitable for all climates?

Art & Design

Painting and Colour Mixing

We will be experimenting with making thick and thin lines. We will ask what is a tint? Which colours are warm and cold? How can we create texture?

Design and Technology

Moving Vehicles

What is a vehicle? How does it move? How do wheels work? What materials will be best for our vehicles? What tools will you need?

Music

I Wanna Play in a Band Zootime

Can you find the pulse? Can you play an instrument using 2 notes, F moving to G? We will be learning to create our own improvisations.

Computing

Robot Algorithms Data Collection

We will be giving instructions to different apps including BeeBot and Box Island. We shall collect data and look at different ways to present it.

P.E.

Dance and Gymnastics

In dance we will move in time to music, control movements and tell a story through dance. In gymnastics we will move with a strong body, jump with control and create a sequence of events.

P.H.S.E.

Dreams and Goals Healthy Me

We will be thinking how to achieve goals and how to persevere when things are difficult. We will think about how to keep our bodies healthy with food choices, exercise and medicines.
