

Year 3 Summer Term

**Greysbrooke
Primary School**

English

Danger Gang Letters!

Year 3 have loved reading Tom Fletcher's "The Danger Gang", so this term we will be writing recount letters based on the story!

Maths

(More) Fractions!

This term Year 3 are going to build upon their already incredible fractions Knowledge, now learning to add and subtract fractions!

Science

Plants and Forces!

In Science we will be consolidating our understanding on plants, focussing on questions such as "How do plants reproduce?". We will then move on to exploring forces and magnetism.

R.E.

Why Is The Bible Important To Christians?

In RE we will explore a variety of holy texts and try to understand why they are so important to their religions! We will be trying to answer some big questions like "How is The Bible constructed?" and "What does The Bible teach?"

History

Ancient Greece

In History we will be travelling back to Ancient Greece! We will learn about their civilisation, government and notable figures.

Some of our Key questions include "Who was Alexander The Great?" and "What was life like in Ancient Sparta?"

Geography

Volcanoes

Our Geography topic this term focuses on Volcanoes. We are going to try and answer a variety of big questions such as "How are volcanoes formed?" and "How do volcanoes impact their surroundings?"

Art & Design

Developing Characters

In Art we are going to explore how we can create our own characters and develop them using illustration and sculpture.

Design and Technology

Constructing Packaging

Our DT topic this term involves learning all about different types of packaging and how they are constructed. We will even design and build our own packages.

Music

Bringing Us Together

This term we will learn the song "Bringing Us Together" while also exploring a wide range of other pieces.

Computing

Desktop Publishing

In Computing we will explore different types of digital publishing and learn how they are used!

P.E.

Athletics

In PE this term we will be developing our athletics skills on the track and field!

P.S.H.E.

Relationships

In PSHE we will be learning about the different relationships we have with those around us and how they can enrich our lives!

French

Purchasing French Food!

In French we are focussing on ordering food and communicating with restaurant staff!
